

WARREN COUNTY JUDGE-EXECUTIVE ORDER

OPEN BURNING BAN

SEPTEMBER 4, 2024

IT IS HEREBY ORDERED that due to excess dryness, lack of measurable precipitation, and current fire hazard conditions, pursuant to Kentucky Statute, I do hereby issue a NO OUTSIDE BURN ORDER county wide, effective immediately, banning all open burning in all areas of Warren County, Kentucky.

This Order includes the lighting of fireworks and burning of any material outdoors.

A lack of rain in recent weeks has produced dry conditions in area grasslands and woodlands, lawns and shrubbery, which poses an increased risk of damage from wildfires, caused by open burning and fireworks.

IT IS HEREBY ORDERED that this ban be effective immediately; and will be lifted by order, after sufficient rainfall to abate the hazardous conditions.

Kentucky Revised Statutes provides for penalties for violations of not less than \$50.00 nor more than \$500.00.

This 4th day of September, 2024.

DOUG GORMAN
WARREN COUNTY JUDGE EXECUTIVE
