July 6, 2026

**For Immediate Release**

Glasgow High School is pleased to announce that Cedric Vaughn has been named as the new Athletic Director at Glasgow High School. Mr. Vaughn's passion for GHS athletics, his coaching connections, and work ethic are exactly what GHS was desiring in its next AD. Mr. Vaughn will follow Ms. Bailey Alexander-Garmon, who served in this role for years and did an amazing job of overseeing the success and growth of Glasgow Athletics. We are very appreciative of what she was able to accomplish, which made this hire so tedious. GHS had several strong candidates, but Mr. Vaughn stood out as exceptional.

Mr. Vaughn will assume the duties of Athletic Director immediately. He will begin working with coaches, the community, and alumni in an effort to further connect our legacy to our future! Mr. Vaughn will continue in his role as an Exceptional Education Teacher at GHS, as well as Head Track Coach.

We are all excited to start the next chapter of GHS Athletics! GO SCOTTIES!

Sincerely,

Joey Norman  
Principal  
Glasgow High School
